## Quick CPA Course Highlights

**Becker:** Structured study plans, Big 4 recognition, instructor access, and tutoring support. Becker is widely trusted by large accounting firms for its organized curriculum and consistent pass-rate reputation.

**Gleim:** Massive question bank, challenging simulations, and deep adaptive drills. Gleim is built for candidates who want to over-prepare and master every variation before exam day.

**UWorld:** Engaging video lectures, visual explanations for every answer, and SmartPath™ readiness tracking. UWorld's high-energy instruction helps maintain focus and retention during long study sessions.

**Surgent:** ReadySCORE™ predictive scoring and adaptive learning engine. Surgent emphasizes efficiency by targeting weak areas to significantly reduce total study hours.

**Lambers:** Flexible section-by-section purchasing and affordable pricing model. Lambers is ideal for candidates focusing on individual CPA exam sections or supplementing other prep materials.
